O. MEADS,

JOHN TAYLER COOPER,

J. C. POTTS,

Committee of Vestry of St. Peter's Church."

"ST. MARY'S CHURCH, December 3d, 1866.

"Gentlemen — I am requested by the Rt. Rev. John J. Conroy, Bishop of this Diocese, to acknowledge the receipt of a communication from you, embodying resolutions adopted by the Common Council of the city of Albany on the 4th day of October last, in relation to the burying grounds between State and Hudson streets, among which is included a burying ground known as St. Mary's Cemetery, and heretofore used as a place of interment by the Catholics of this city.

The resolutions referred to, provided that a Special Committee of five be appointed by His Honor the Mayor to confer with the trustees of the various churches holding possession of and interested in the grounds for burial purposes, with a view to cause the removal of the remains of the neglected dead to cemeteries, where they can be properly interred and cared for in a suitable manner. In the same communication you desired to know whether our Society were willing to release the grounds thus used by us as a cemetery, within the above-mentioned bounds, and would consent to the removal of the remains therein deposited, providing the city will furnish a suitable place in the Albany Rural Cemetery, or elsewhere, as may be agreed upon, for their reinterment.

In consequence of your communication, the Rt. Rev. Bishop caused notice to be given on Sunday last (Dec. 2d) in the Catholic churches of this city, inviting all who were interested in the matter to meet me at my residence, No. 14 Lodge street, and express their views and wishes.

Such a meeting was held at the time appointed, and no opposition to the course pursued having been made by any one present, I am authorized by the Bishop to say, that, on the part of the Catholics of this city, he consents to the release of the grounds in question upon the general terms proposed by the Common Council, reserving for future and more special agreement all details in regard to the place or places to which these bodies may be removed, and the mode of their removal.

Very respectfully, yonrs, &c.,

CLARENCE WALWORTH,

Pastor of St. Mary's Church.

'To Peter M. Carmichael and others,

Committee of the Common Council."

The several congregations having with such unanimity assented to the proposition, your committee trust that this

arrangement can be fully consummated, which will be honorable to the churches and creditable to the city.

All of which is respectfully submitted.

PETER M. CARMICHAEL,
W. S. PADDOCK,
WM. H. TAYLOR,
E. L. JUDSON,
THOMAS MULHALL,
Special Committee.
Accepted.

Ald. CARMICHAEL offered the following:

Resolved, That the Special Committee on Burying Grounds ascertain from the Trustees of Albany Rural and other Cemeteries, what arrangement can be made for procuring the necessary grounds for the reinterment of the remains of those now deposited between Hudson and State streets, in the westerly part of the city.

Adopted.

#### CITY HALL, ALBANY, Dec. 31st, 1866.

The condition of the Cemetery located in the westerly part of the city of Albany, between State, Hudson, Snipe and Robin streets, and known since 1801, as the State Street Burial Grounds, has long been matter of regret. The interest attaching to the resting place of deceased kindred having been almost entirely transferred to the Rural Cemetery, time and neglect have produced their usual effects. Public attention being frequently drawn to this locality, the Common Council during the past year, with a view to the careful removal of the dead, and their decent reinterment in other grounds, appointed a Committee, who took immediate steps to give the matter requisite publicity. They conferred formally with the recognized representatives of all denominations interested, and also with many private individuals. response has been most gratifying. The different churches have acquiesced unanimously, and without hesitation in the proposed removal, and the individual citizens consulted, have warmly coincided in promoting the object.

In order to afford to every person interested, all the information possible, the Common Council, through their Committee, have employed competent persons to copy the inscriptions upon the tombstones remaining in the grounds referred to, and have taken every means in their power of discovering who are the actual tenants of these neglected domains.

It is confidently believed that this labor has been faithfully performed, and a correct result secured.

The names transcribed have been carefully arranged under the heading of their respective religious denominations, and are hereto annexed. It is the desire of the city authorities, that all persons whose dead are here interred, should be informed of the contemplated change, and the friends of the dead are requested to take the necessary steps for the removal of their remains. All citizens are therefore requested to aid in distributing such information, and in communicating to any member of the Common Council or to the Trustees of the churches interested, such intelligence as may facilitate the successful accomplishment of a result at once laudable in itself, prompt ed as it is, by the best impulses of humanity, and in every view a matter of public pride and satisfaction.

PETER M. CARMICHAEL,
WILLIAM S. PADDOCK,
WILLIAM H. TAYLOR,
EDMUND L. JUDSON,
THOMAS MULHALL,
Committee on behalf of the Common Council.
